#### Job Context

Eco-Social Development Organization (ESDO) started its journey in 1988 with a noble vision to stand in solidarity with the poor and marginalized. Being a peoples` centered organization, ESDO envisioned for a society which will be free from inequality and injustice, a society where no child will cry from hunger and no life will be ruined by poverty. Near about three decades of relentless efforts to make this happen, ESDO has embraced new grounds and opened up new horizons to help the disadvantaged and vulnerable people to bring meaningful and lasting changes in their lives. During this long span, ESDO has adapted with the changing situation and provided the most time-bound services especially for the poor and disadvantaged. A community focused and people centered approach has been adapted by ESDO while consideration was given to the national policy and Sustainable Development Goals (SDGs) as its guiding principle. ESDO is one of the most dynamic organizations expanding its development interventions across 331 upazilas under 51 districts of Bangladesh covering over 10 million poor and vulnerable people. ESDO is inviting applications from interested qualified candidates for the following position. It a core position of the organizations.
